Eden Pines Inn

ON THE OCEAN

In Picturesque Rockport-by-the-Sea

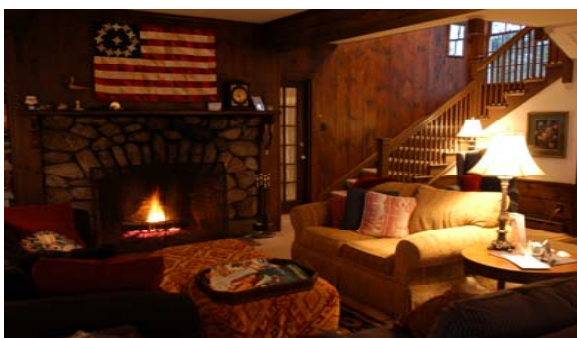

Rockport, Massachusetts

(View of Thacher Island from the open porch and brick patio)

Eden Pines Inn is an oceanfront paradise, perched along the granite coast of Rockport, Massachusetts. Beautiful sandy beaches are but a short walk away and charming Rockport center, with its popular Bearskin Neck, is a few minutes by car.

(Living room with stone fireplace)

At the Inn, our guests can enjoy spectacular sunrises and eating breakfast on the sunny glass porch overlooking the ocean. During the day, enjoy a good book on the open porch ablaze in seasonal annuals, or sunbathe in one of the comfortable chaises on the long brick patio. Smooth rocks lead down to the ocean where one may, in the words of former Rockport resident, Ralph Waldo Emerson, "make acquaintance with the sea."

From every room of the Inn, guests can watch lobstermen tending their traps, fishermen working their craft and sailboats heeling in the wind - all against the background of Thacher Island with its historic twin lighthouses.

(View of brick patio)

Eden Pines Inn offers its guests a complimentary continental breakfast, afternoon cookies and assorted beverages throughout the day. In the evening enjoy a cool breeze and a cocktail (BYOB as Rockport is a dry town) on the porch as the moon rises on the water in front of you.

(Sun-filled breakfast room)

(Sloop Suite - Room #4)

The Inn's bedrooms offer panoramic views of the ocean and all have private balconies to enjoy the seaside air. All rooms have elegant private bathrooms, sitting areas and air conditioning. Rooms are available with king or queen size beds.

(O'Day Suite - Room #6)

We are happy to help you select a wonderful restaurant in the area, as well as the many activities available to Rockport visitors. Opportunities for swimming, boating, whale watching, golf, tennis, antiquing, shopping, touring historical sights, or viewing art are all close by and readily available.

We would consider it a privilege to have you share Eden Pines with us.
